BACKGROUND INFORMATION ABOUT THE LIFELINE AND LINK-UP AMERICAN PROGRAMS

What is Lifeline?

- The Lifeline Telephone Assistance Program attempts to make telephone service more affordable for low-income households throughout Michigan.
- Lifeline Service is a residential basic local exchange service offering available only to qualifying low-income consumers for which the consumers pay reduced charges.

BENEFITS: There are three primary benefits available to qualifying customers:

- Reduced Charges – There is a monthly discount for local telephone service charges. In most cases, the discount is \$11.25 per month. For customers aged 65 or older, the discount is \$12.35 per month.
- Option to Block Outgoing Toll Calls in Lieu of a Service Deposit – This is an option to block out-going long distance service, free of charge. If the qualifying low-income customer voluntarily elects this option, the telephone company will not collect a service deposit in order to initiate Lifeline Service.
- Reduction in Local Telephone Line Installation Service Charges – The Link-Up America Program offers a qualifying customer a 50% reduction, up to \$30, on local telephone line installation service charges. There is also an interest free deferred payment schedule for up to one year for connection charges up to \$200.

ELIGIBILITY:

- Lifeline Service is available to certain low-income consumers whose household income does not exceed 150% of federal poverty standards.
- The maximum income amount varies depending on the number of people in the household.
